My purpose for seeking the Oahu seat position as Trustee of the Office of Hawaiian Affairs is to assist my people by taking a leadership role in providing for the present and future generations in the areas of housing, health, education, culture, governance, planning, historic preservation, social & economic development. I solely believe that in an effort to better the conditions of our native Hawaiians, we also need to take leadership roles in the politics of government in the county, state, national, and international arenas.

Currently, I am a board member for the Waianae Kai Hawaiian Homestead Association and a democratic-party precinct vice president for district 44-4. For the past 10 years I've concentrated my work experience in the fields of computer graphics design & technology, presently specializing in web design. Prior to that, I spent 10 years in the manufacturing and warehouse distribution industries.
